JBM Asks For Your Financial Support To Publish Book

Dear JBM partners and friends,

The unthinkable has happened: homosexuals had been standing in line for hours recently in **California to get legal "homosexual marriage" licenses.**

Homosexuals from around the nation are flocking to California to get "married" to a partner of the same sex. The plan is to now go back to all 50 states and for these "married" homosexuals to legally challenge their own state's marriage laws. Our nation is already in a moral crisis and this sin will push us into one of the most difficult times we have ever seen.

This is not the time to be discouraged or give up, however. The darker it is, the greater the light shines, and we have the light. My whole story is a testimony to God's light breaking through and bringing me freedom and the love I always was looking for. No piece of paper issued by the state of CA will give people what they are really looking for. **It's a great time to be proclaiming the gospel of grace and freedom in Christ!!**

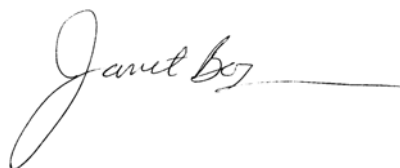

I want to thank all those who have supported the fundraising for my upcoming book entitled *Called Out*. At this present time we have raised \$14,000 and **I need to raise the final installment of \$4000.00 before Sept. 15, 2008.**

The scheduled press time for *Called Out* was in May, but we have now rescheduled press time for October. If we miss the scheduled press time, the book will probably not be delivered until 2009. We would be at risk of missing the advertised street date for the book, which means increased printing costs. In other words, **this book really needs to go to press no later than October.**

Our ministry's call is clear, our commitment firm, but we need people like you to partner with us both prayerfully and financially. **Would you be willing to consider helping with this important project by giving \$100, \$300, \$500, or even \$1,000 to get this book to the printer?** Every gift is a blessing and helps us at this critical time. Please make all gifts payable to Janet Boynes Ministries so that we can ensure tax deductible receipts.

Thank you for partnering with us in bringing the life-changing message to others.

May the Lord richly bless you!
